Whitestone Station

MENOMONEE FALLS, Wis. – Greg Marso and Jeff Marek, of Marso Construction, attended the Commercial Real Estate and Development Conference presented by BizTimes at the Potawatomi Hotel & Casino to see panelist, Scott Yauck of Cobalt Partners, discuss his mixed-use development located in Menomonee Falls called Whitestone Station. Marso Construction has played a large part in improving this land as it is one of the largest brownfield redevelopment projects in the state that has plans to have multi-family housing units and be the future home to various retailers.
