Marso Construction Builds the Franklin High School Concessions

FRANKLIN, Wis. – Marso Construction stayed local during its most recent project at Franklin High school overseeing the construction of the new Sabers Football & Track field concession stands. The completion of this project came just in time for fans of the Sabers to enjoy the new amenities during a Friday night football game!

Marso hopes to see the athletes and supporters of the Sabers enjoy this addition to the Football Stadium for seasons to come!
